- Review fee estimate is a credit against the review fee due at issuance; any additional review fee is calculated using the same method as the estimate. Your value may not be the same as that determined by the reviewer.

Charged only when the scope of work requires Building Review.

Turn page over for additional fee information.

Permits are required for all low voltage installations: (*exceptions*: single family wireless security systems with plug in transformer, single family data & telephone cabling, and commercial telecommunications less than 10 outlets).

- ◆ All cabling requires a permit including computer/data (commercial), antenna cabling, telephone systems (commercial), security systems, CATV, single family burglar alarms, fire & stereo systems.
